

# Website making

Hi, my name is Lucas and I offer you to make websites.

I'm actually 14 but I already have few experiences as a web developer.

I'm someone passionate, available, reactive and who understand your needs.

I can make a portfolio or a commerce/blog website for you in a month for only 80\$.

I can host it for an extra charge of 10\$ per month.

You can see my projects at: <https://lucas-webdev.com>
